1. Rearrange the letters to find the names of different houses.
a) e n t t b) o g l i o
c) t u h d) t a r p a e m t n
2. Draw five sense organs (eyes, nose, ears, tongue, skin)
3. Project — Spider-Man Mask
Material required :- medium size balloon, glue, newspaper strips, water colour
Instructions :- Take an inflated balloon and cover it with small strips of newspaper (by pasting two layers of newspaper strips). Leave it to dry for few hours. After it dried up, burst the balloon and cut out the mask shape and paint the mask. Make holes for eyes and tie a thread on both sides.
Your Spider-man mask is ready!
